

Venue

The conference will be held at the Hotel Aktea, a beautiful and modern venue located in the heart of Lipari. This hotel provides conference facilities, comfortable accommodations, and breathtaking views of the Aeolian archipelago. Attendees will enjoy the perfect blend of professional engagement and leisure activities in a picturesque setting.

Travel Information

From Catania Airport to Lipari

1. Shuttle bus to Milazzo port. The journey takes approximately 1.5-2 hours.
2. Ferry to Lipari. The journey takes about 1-1.5 hours.

Ensure to check the schedules in advance and book your tickets early, especially during the peak tourist season. For further information please visit

ICSET 2025

1st International Conference on Sustainable Energy Technologies (ICSET-2025)

June 22-26, 2025
Lipari, Aeolian Archipelago, Italy

About the Conference

We are pleased to announce the 1st International Conference on Sustainable Energy Technologies (ICSET-2025). This unique event aims to provide a common platform dedicated to energy storage systems, spotlighting notable scientific and technical advancements in energy transition. ICSET-2025 will be hosted in Lipari, the mother island of the enchanting Aeolian archipelago, from June 22 to 26, 2025.

Conference Highlights

ICSET-2025 will welcome international energy leaders to integrate knowledge and expertise, and to share energy transition solutions balancing energy security demands with the climate imperative. The conference will encompass:

- Plenary sessions
- Keynotes
- Invited speeches
- Oral presentations
- Poster session
- Exhibitions

Scope of the Conference

ICSET-2025 is dedicated to the scientific and technological advancement of energy solutions in view of sustainable development. This conference aims to provide a comprehensive platform for researchers, industry experts, and policymakers to share insights, foster collaborations, and drive innovations in the field of energy transition. Topics include, but not limited to:

- **Hydrogen & Energy Conversion**
- **Chemical Energy Storage**
- **Green Chemistry and Biomass Transformation**
- **Energy Storage & Smart Grid**
- **Heat and Thermal Energy**

Abstract Submission

All abstracts should be submitted via the ICSET-2025 website (www.icsetenergy.com/submisison), following the instructions on the available template.

After submitting your abstract, please use your Control ID number in all communications with ICSET-2025 secretariat.

Selection Process:

Papers will be reviewed and selected by the scientific committee.

This process ensures that all abstract submissions for ICSET-2025 are managed effectively and transparently.

Deadlines

- Abstract System Opens: July 22, 2024
- Abstract Submission Deadline: November 22, 2024
- Notification of Acceptance: January 10, 2025
- Early Bird Registration: January 24, 2025
- Conference: June 22-26, 2025

Special Issues

We are pleased to announce that selected works presented at ICSET-2025 will be considered for publication in Special Issues of the following journals:

- Chemical Engineering Journal (Impact Factor: 15.1)
- Journal of Energy Storage (Impact Factor: 9.4)
- International Journal of Hydrogen Energy (Impact Factor: 7.2)

Awards

- Outstanding Abstract is sponsored by CNR-ITAE (€1000) in memory of friend and colleague

Antonio Andaloro.

- Outstanding Abstract is sponsored by CNR-ITAE (€1000) in memory of friend and colleague

Alessandro Stassi.

Registration Fees

All participants (including chairpersons, authors, presenting authors, invited speakers, scientific committee members...) must be registered.

Category	Early Bird*	Regular
Participant	€800	€900
Students**	€450	€550
Accompanying Person***	€250	€300

Before January 24, 2025*

****PhD or non-structured students under 35 years.**

*****Includes welcome reception, lunches, coffee breaks and social dinner.**

All Registration Fees include VAT 22% according to Italian Law.

Registration Includes:

- Conference bag and promotional materials
- Electronic Conference Programme
- Link to download the Book of Abstracts
- Coffee Breaks and Lunches
- Welcoming Reception
- Gala Dinner
- Attendance to all technical sessions and exhibitions
- Certificate of Participation/Presentation
